

Our house rules

General:

Please let us know, if you miss something in our accommodation, if something should be improved or if we can be of any assistance.

If there is any damage to the furnishings, please notify us immediately. At the latest on your departure. Often you can clarify things quickly and easily with the liability insurance.

Little things, such as a broken glass or a plate, need to be reported as well.

Please ensure that fellow travelers abide by the house rules.

Your duty of care:

Please close all windows and doors before leaving the property. We assume no liability for theft or burglary. Please make sure also that all lights, the stove / oven and other switched on devices are off. Please handle the furnishings carefully.

Kitchen /Bath:

We kindly ask you to clean used dishes, cutlery or pots and pans before your departure. At departure the kitchen should look again (as far as possible) as you found it! All food must be disposed upon departure. Please separate your rubbish properly in the containers.

Please ventilate after showering for at least 15 minutes and turn off the heating during this time. Don't dispose of any food leftovers in the toilet, shower or sink.

Heating / Ventilation:

Ventilate the premises daily for at least 10 minutes (,patch airing'). Do not forget to turn off the heating during this time. The heaters must be turned off, when the windows are open!

You must not reprogramm the heating system!

Smoking:

Smoking is not allowed

Rest / lunch times:

We ask you to keep silent hours in the period from 10 pm – 7 am and from 12 pm to 3 pm.

Keys:

As a tenant, you will get at least one key from us. In case of the loss of the key / the keys the replacement of the entire locking system is required. The costs are to be borne by the perpetrator!

More:

- Please do not reprogram devices like TV etc. according to your wishes.
 - Additional non displayed persons are not allowed to stay overnight at the property.
 - Do not carry furniture from the interior to the outside.
 - Parties and events are not allowed.
- For any damage of any kind, the polluter bears the costs.
